The Dead Still Fight

My family died from rebels

everyone I knew,

I fought for revenge

hating the universe,

A new threat rises

that threatens humanity,

only to meet her

in my final days,

An alarm, a kiss

then an explosion

and finally nothing at all.

Decades later

I open my eyes,

the galaxy has changed

nothing is the same,

women and children now fight

for what is left,
I engrave my rifle
for the final fight,
now cornered
like an animal,
I see her face
this time it's real,
an army arrives
this time it's ours,
found a farm to
grow old together.

End
file.
